

STATE OF SOUTH CAROLINA
DEPARTMENT OF REVENUE
RESALE CERTIFICATE

To be completed by purchaser and retained by seller.
Please do not send the certificate to SC Department of Revenue.
See instructions on back.

Notice To Seller:

It is presumed that all sales are subject to the tax until the contrary is established. The burden of proof is on the seller that the sale of tangible personal property is not a retail sale. However, if the seller receives a resale certificate signed by the purchaser stating that the property is purchased for resale, the liability for the sales tax shifts from the seller to the purchaser.

This certificate is intended for use by licensed retail merchants purchasing tangible personal property for resale, lease or rental purposes. **To be valid, the following conditions must be met:**

1. The resale certificate presented to the seller by the purchaser contains all the information required by the Department and has been fully and properly completed.
2. The seller did not fraudulently fail to collect or remit the tax, or both.
3. The seller did not solicit a purchaser to participate in an unlawful claim that a sale was for resale.

Seller must maintain a copy of this certificate to substantiate the exemption in the event of an audit. If this certificate does not meet the above requirements, it is not valid and the seller remains liable for the tax.

Notice to Purchaser: If a purchaser uses a resale certificate to purchase tangible personal property tax free which the purchaser knows is not excluded or exempt from the tax, then the purchaser is liable for the tax plus a penalty of 5% of the amount of the tax for each month, or fraction of a month, during which the failure to pay the tax continues, not exceeding 50% in the aggregate. This penalty is in addition to all other applicable penalties authorized under the law.

TANGIBLE PERSONAL PROPERTY - "Tangible personal property" means personal property which may be seen, weighed, measured, felt, touched, or which is in any other manner perceptible to the senses. It also includes services and intangibles, including communication, laundry and related services, furnishing of accommodations and sales of electricity, and does not include stocks, notes, bonds, mortgages, or other evidences of debt.

WITHDRAWAL FROM STOCK, MERCHANTS - (Regulation 117-309.17): To be included in gross proceeds of sales is the money value of property purchased at wholesale for resale purposes and subsequently withdrawn from stock for use or consumption by the purchaser.

The value to be placed upon such goods is the price at which these goods are offered for sale by the person withdrawing them. All cash or other customary discounts which he would allow to his customers may be deducted; however, in no event can the amount used as gross proceeds of sales be less than the amount paid for the goods by the person making the withdrawal.
