I, the purchaser named above, claim the right to make a non-taxable purchase for resale of the taxable items described below or on the attached order or invoice form:

Seller: LMC Design Group

**interior design, furniture, fabric, bedding, artwork, mementos**

The taxable items described above, or on the attached order or invoice, will be resold, rented, or leased by me within the geographical limits of the United States of America, its territories and possessions, or within the geographical limits of the United Mexican States, in their present form or attached to other taxable items to be sold.

I understand that it is a criminal offense to give a resale certificate to the seller for taxable items that I know, at the time of purchase, are purchased for use rather than for the purpose of resale, lease, or rental and, depending on the amount of tax evaded, the offense may range from a Class C misdemeanor to a felony of the second degree.
