General information and instructions

GST/HST NETFILE or GST/HST TELEFILE

File your return in minutes using our GST/HST NETFILE or GST/HST TELEFILE service. Use the access code on page 1 to file your return for the business number and reporting period pre-printed on this form.

GST/HST NETFILE: go to www.cra.gc.ca/gsthst-netfile

GST/HST TELEFILE: call 1-800-959-2038 (some restrictions apply)

These services are available seven days a week from 7:00 a.m. to 11:30 p.m., local time.

Do you have to file your return electronically?

You may have to file your GST/HST return electronically. Registrants that are required to file electronically may be subject to penalties if they file paper returns. For more information, go to www.cra.gc.ca/gsthst-filing.

Online Services

Our online services make it faster and easier to handle your company's tax matters. You can file, pay, and access detailed information about your tax accounts online. For more information, go to www.cra.gc.ca/businessonline.

You or an authorized representative can do many things online, including:

- file or adjust a GST/HST return without an access code;
- authorize the CRA to send an email to let you know that you can view a notice of assessment, instead of getting a printed copy in the mail; and
- transfer payments and right away view updated balances.

To access our online services, go to:

- www.cra.gc.ca/representatives, if you are an authorized representative (including employees); or
- www.cra.gc.ca/mybusinessaccount, if you are a business owner.

Other electronic filing options

Other electronic filing options for GST/HST registrants include:

- Electronic data interchange. Your financial institution may offer this service (some restrictions apply).
- GST/HST Internet file transfer allows registrants to file their return electronically using third-party CRA certified accounting software.

For more information on these options, go to www.cra.gc.ca/gsthst-filing.

Filing instructions

Verify the pre-printed information on page 1 to make sure it is complete and accurate. You can use our online services to change your mailing address, name, and telephone number of the contact person in your organization. For other changes, call 1-800-959-5525.

Generally, you have to file a GST/HST return for every reporting period, even if the return reports a zero balance.

If you are using the **quick method of accounting**, see Guide RC4058, *Quick Method of Accounting for GST/HST*.

If you are a **charity**, see Guide RC4082, *GST/HST Information for Charities*, for information on completing your net tax calculation.

If you are a selected listed financial institution, see Guide RC4050, *GST/HST Information for Selected Listed Financial Institutions*.

Only complete the lines of the return that apply to you. You must enter all amounts in Canadian dollars.

For more information on adjustments, input tax credits, self-assessing, or completing this return, see Guide RC4022, *General Information for GST/HST Registrants*, or call 1-800-959-5525.

Line 111: Some rebates can reduce or offset your amount owing. Those rebate forms contain a question asking you if you want to claim the rebate amount on line 111 of your GST/HST return. Tick **yes** on the rebate form(s) if you are claiming the rebate(s) on line 111 of your GST/HST return.

You must file the rebate application(s) with your return. If you file the return electronically and do not file the rebate application electronically, send the rebate application to us by mail.

Annual filer with a June 15 due date

If you are an individual with business income for income tax purposes and have a December 31 fiscal year-end, the due date of your return is June 15. However, any GST/HST you owe is due by April 30. This payment should be reported on line 110 of your return.

Do you owe money?

If you have a balance owing, you can make your payment in many different ways:

- Pay online by using your financial institution's online banking or telephone banking services;
- Pay online by using CRA's My Payment service at www.cra.gc.ca/mypayment;
- Pay by setting up a pre-authorized debit agreement using My Business Account at www.cra.gc.ca/mybusinessaccount; or
- Pay in person at your financial institution in Canada with the remittance voucher.

For information on all payment methods, go to www.cra.gc.ca/payments. If you remit your payment late, any balance due may be subject to penalties and interest at the prescribed rate.

To make your payment at your financial institution, give Form RC158, *NETFILE/TELEFILE Remittance Voucher*, to the teller with your payment. The teller will keep the bottom portion of the remittance voucher with your payment and will return the top portion of the remittance voucher as your receipt.

Your financial institution will not accept your return and you will have to mail it to us if:

- you are claiming a refund; or
- you are using a photocopy of this form.

If your payment is \$50,000 or more, you **must** make it at your financial institution in Canada. If you are paying at a financial institution and your return requires attached documentation, you will have to send this additional information to us separately.

We will not charge or refund a balance of \$2 or less.
